Spring Reverb Plucks and Chords

By Henrik Linde

The tablature is organized into five measures corresponding to the chords B7, C, B7, C, and Em. Measure 12 (B7) starts with a -1/2 bend on the 6th string, followed by a sequence of plucks on the 7th and 9th frets. Measure 13 (C) continues the pattern. Measure 14 (C) features a sequence of plucks on the 8th, 9th, and 10th frets. Measure 15 (B7) returns to the 7th and 9th frets. Measure 16 (C) includes a -1/2 bend on the 6th string. Measure 17 (Em) concludes with a final pluck on the 2nd fret. Rhythmic notation below the strings uses 'V' for downstroke and 'v' for upstroke.
